

Summer's Over. Now What?

Summer! What a great time — the hours and days filled with soccer matches, baseball games, swimming and camping, and all the memory-making fun adults and kids can experience. Don't let the good times end with the start of school. Our school offers kids and adults classes that are just as much fun, and that help create healthy bodies and minds, as any summer activity. From preschoolers to adults, we have something for everyone.
