# Kids Can't Wait

## for the School Day to End and Come to Our After-School Program!

When the school day is done, kids come running to our after-school program, so they can join their friends for the fun and games. Your child will also benefit from age-appropriate exercise, self-defense training and valuable character lessons in a safe environment. • This is the after-school program with maximum value and the activities to improve confidence and discipline and sharpen concentration for better schoolwork. **CALL TODAY TO REGISTER!**
