

<<First Name>>, Please Join Me at My PIZZA PARTY!!

Dear <<Student's Friend>>,

As you probably know, I am a student at <<YOUR SCHOOL NAME>>.

Over the last few months I have been working especially hard, and I have earned a special honor!

**I was one of the top graduating students in the whole school!
(Out of 200 students, I was in the top 20)**

This means that I learned and practiced my physical Karate skills, but I also demonstrated a great deal of Respect and Self-Discipline. It's sort of like being an A+ student in school.

As a special bonus, in recognition of my dedication and effort, my teacher <<INSTRUCTORS NAME>> has awarded me with a FREE PIZZA PARTY at the Karate School!

I would like to invite you to come to the party as my guest.

We are going to have a great time, We will be doing some cool Karate moves and learning about Confidence and Respect along with some of my other Karate friends. Not to mention all of the cool games we will play during the party. (Dodge ball is one of my own personal favorites!)

Oh yeah, we'll be having Pizza too!! I hope you can come and share in my success!
