Subj: <<Guest Parent Name>>, What could <<Student's Name>> accomplish if.....

Hi <<Guest Parent Name>>,

I was just finishing up some of my "end of the day" duties, and I thought back to meeting <<GUEST CHILD NAME>> the other day.

Being a teacher is the best job in the world, because I get to help children accomplish amazing things, and grow into successful adults.

Each time I meet a new child, I try to imagine what type of a person I can help them become!

So I was thinking.....

What could <<Student's Name>> accomplish if we worked together, and surrounded <<HIM/HER>> with a positive peer group, lead by capable mentors, and set out on a journey to develop "Laser Sharp" Focus, Unshakeable Self-Esteem, and a sense of Self Confidence that make them virtually immune to negative peer pressure, and negative influences?

I'm sure you may have many questions about how this might work, and I'd love to take the time to show you exactly how we may be able to help <<Student's Name>> accomplish these valuable life and success skills.

Now, you may be asking yourself, "How can I know for sure if the <<YOUR SCHOOL NAME>> teaching system will work for my child?"

I've got some great news for you; It's never been easier to find out!
