

Dear <<GUEST FAMILY NAME>> Family:

Thank you so much for coming to our school last week! I hope you learned a lot and had a great time.

I know <<STUDENT NAME>> appreciated you taking the time out of your busy schedule to bring <<GUEST NAME>> to the party and celebrate <<HIS/HER>> accomplishment.

And I wanted to personally thank you for helping us reinforce the <<STUDENT NAME>>'s accomplishment, and commitment to building <<HIS/HER>> character, and improving <<HIS/HER>> Focus and Self-Discipline!

I also wanted to remind you that as a special "Thank You" <<GUEST NAME>> earned a special gift for attending our session and supporting <<STUDENT NAME>>!

### **Discover the Almost Magical Formula to Building Unstoppable Self Esteem and Confidence in your Child for FREE!**

Now, you may be asking, how does all this "values" stuff work? And why does the <<YOUR SCHOOL NAME>> program do a better job of teaching these valuable life skills than any other activity.

The <<YOUR SCHOOL NAME>> system gives your child the chance to explore his or her innate gifts. They'll marvel (as you will) as they increase in strength, flexibility, endurance, balance, and focus. Yet, this is only the start.

In fact, the physical skills act as a foundation for something much more valuable: the development of character skills, focus and self-discipline. And not separate from their physical skills, but intimately connected – even bonded -- to them.

These are just three of the powerful, energizing values your child will get from the <<YOUR SCHOOL NAME>> program.

In short, you can look forward to your child developing...

- **Powerful self control.** <<HE/SHE>>'ll refuse to give in to negative peer pressure. She'll have a deeper respect for rules.

- **Improved focus.** <<HE/SHE>>'ll learn what's needed, along with the skill to "zero in" on critical tasks at hand. Normal, yet time-wasting, childhood distractions won't get in her way.
- **Fearless self confidence.** Watch as your child finds the courage to open any door life has to offer.

**Children love our program because it's fun, parents love our program because children benefit for a lifetime!**

Now, you may be asking yourself, "How can I know for sure if the <<YOUR SCHOOL NAME>> teaching system will work for my child?"

**I've got some great news for you; It's never been easier to find out!**
